This document is important and requires your immediate attention. If you are in any doubt about the content of this document, you should seek independent professional advice.

Dear Shareholders,

Suspension of net asset value calculation, subscription, redemption and switching of the shares of the Compartment

Reference is made to the notice to shareholders dated 28 February 2022 issued by the Board of Directors (the “**Board**”) of Pictet (the “**Company**”) on the suspension of net asset value calculation, subscription, redemption and switching of the shares of the Compartment as of 28 February 2022 until further decision by the Board (the “**Suspension Period**”) in consultation with the Depositary Bank, pursuant to Article 22 of the Articles of Association of the Company.

This Notice serves to notify you as a shareholder of the Compartment that the circumstances associated with the Ukraine / Russia situation have not been alleviated, and remind you that the Suspension Period will continue until further decision by the Board. The Depositary Bank has made no objection to the continuation of such suspension.

During the Suspension Period, requests for redemption and switching out of the shares of the Compartment will be deferred until the Valuation Day immediately following the Suspension Period and then processed on a first-in-first-out basis, unless you withdraw such requests, whereas applications for subscription and switching into the shares of the Compartment will be rejected.

Prior to the end of the Suspension Period, requests for redemption and switching out of the shares of the Compartment may be revoked by the applicant. Applications for subscription and switching into the shares of the Compartment which have been rejected may be re-submitted once the Suspension Period has ended.

The Board will regularly review the suspension and all reasonable steps will be taken to bring the Suspension Period to an end as soon as possible, having regard to the best interest of shareholders. A further notice will be issued to shareholders on the resumption of the net asset value calculation, subscription, redemption and switching of the shares of the Compartment. Upon such resumption, the net asset value will be calculated and subscription, redemption and switching requests will be honoured.

Meanwhile, during the Suspension Period, this Notice will remain posted on our website <http://www.assetmanagement.pictet>¹ as a reminder of the above arrangement.
